Naval Hospital Camp Pendleton Pharmacy Formulary - updated SEPT 2012

******NEW and REFILL prescriptions can be processed at any of our branch clinic pharmacies**

General Information

This formulary lists medications which are currently available at the Naval Hospital Camp Pendleton and on-base branch clinic pharmacies. This list may change without prior notice. For updates on a specific medication, please contact the pharmacy department. The formulary is also on-line at https://cpen.med.navy.mil.

Generic equivalents will be dispensed unless none are available. Brand name only prescriptions WILL NOT be honored per DoD policy if a generic equivalent is available.

Medication required to support Deployment will be dispensed in quantities sufficient to support the mission; restrictions may apply.

TELEPHONE AND PHOTOCOPY PRESCRIPTIONS WILL NOT BE ACCEPTED.

Prescription policies

a. Non-controlled medications

- Prescriptions for non-controlled substances are valid for one year from date written and considered expired after that time
- Quantities will be filled up to a maximum of 90-day supply and 3 refills for maintenance medications
